

# The PHP Classes site

gives the present

## CERTIFICATE

to

**MUHAMMAD UMER FAROOQ**

For having ranked Number #9  
in the edition of October, 2018 of the

**PHP Innovation Award**

for the PHP package

**PHP CLI Calculator Class**

**Nomination reason:** Sometimes it is necessary to perform simple math calculations. This class allows users to make calculations on a command line console using a simple script that uses the class.

Verify this result at: <https://www.phpclasses.org/package/10867>

A handwritten signature in blue ink, appearing to read "ML", positioned above a horizontal line.
